CORE PE

CURRICULUM SYSTEM

ALL-IN-ONE FOUNDATIONAL TEACHING SYSTEM

3 - Step System

*CORE PE provides the SYSTEM.
YOU bring the AWESOME!*

1 Yearly & Quarterly Planning

Complete planning guide sample, template for personalization, and training help you determine the GSLI's you can realistically cover with your specific variables.

2 Developmental Levels Breakdown & Assessment

Each SHAPE America GSLI is broken down into developmental levels & 3-step cues for you to introduce the skill, provide specific feedback, base learning experiences and activities, and conduct efficient assessment.

3 Reporting Results

Framework & tools to efficiently report results in learning, transparently aligned to SHAPE America standards & GSLI's - all developmental levels.

The CORE PE Curriculum System is delivered digitally in your members login area.

- Accessible anywhere
- Printable
- Downloadable
- Digitally-Fillable Templates for Personalization
- Hard copy/clipboard friendly

Practical, Efficient, and User-Friendly!

About Us

We care about teachers, students, and physical education! We help make your job as efficient as possible, saving you time, consistently reaching "in the zone" teaching, and connecting with your students meaningfully.
